EXPERIENCE

Gogoro Nepal

Content creator handling concept, script, shoot, and edit producing high-impact visuals that elevate brand identity and engagement.

BULLS CLUB - GYM

Collaborated with the gym as a freelance video editor, contributing to creative direction, brand engagement, and independently handling all video editing tasks.

The Creator's House

Currently working as a full-time video editor in the marketing team, managing content creation, video editing, and visual storytelling to enhance brand engagement effectively.

PROJECTS

Gym Promotional Video

- Edited a high-energy promotional video for a gym brand
- Applied dynamic cuts, transitions, and music sync to boost energy and engagement
- Handled color grading and motion graphics for a professional finish

Glowroom Unisex Salon

- Edited a promotional/brand video for a unisex salon
- Created smooth, aesthetic visuals with soft color grading to match the salon's vibe
- Synchronized background music and sound effects for a polished final output
